

Appn. Number 10/653,678 Michael John Keogh Nguyen/2831 Amnt. G

Remarks

Following applicant's telephone conversation with examiner, 04/07/2005, relative to the OA, 02/22/2005, claims 35-51 were amended as shown above. Specifically, claims 35 and 43 were narrowed to satisfy the objections made in the OA. Claims 36-42 and claims 44-51, now dependent on amended claims 35 and 43 respectively, were resubmitted.

Conclusion

Applicant submits that the specification and claims are now in proper form, and that the claims all define patentability over the prior art. Therefore he submits that this application is now in condition for allowance, which action is respectfully solicited.

Conditional Request for Constructive Assistance

Applicant has amended the claims of this application so that they are proper, definite, and define novel and unobvious matter. If for any reason this application is not believed to be in full condition for allowance, applicant respectfully requests the constructive assistance and suggestions of the examiner pursuant to M.P.E.P 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Very Respectfully,

A handwritten signature in black ink, appearing to read "Michael John Keogh", with a long horizontal flourish extending to the right.
